2. Once bidding opens, all registered bidders are free to place bids on their chosen properties/movables. Bidding takes place on the specific property page that includes the description and all relevant information on the property/movable.

3. Once you place a bid, you must confirm the bid before it is registered as an online bid. The online platform is fully transparent. All bids are recorded in real time. Please note your privacy will not be jeopardized as bidders will be presented by a number.

4. We have a maximum bid facility that can be set to automatically bid for you until a maximum amount. Your Maximum Bid can’t be viewed publicly, so only you will know how high you’re willing to go.

5. Once the bidding is closed, we will contact you to either refund your deposit if you were an under bidder or assist you further if you were the highest bidder.
